

Music City Tactical Shooters

Music City Tactical Shooters have seen a lot of new faces at the range over this past month of February 2010. We anticipate a better March 2010 with our recent changes. We would like to extend our thanks for those that came out and shared their Saturday shooting with us. We hope to see you come back. We have missed some of our familiar faces over the course of this past year: Jim Harp, Bill Baldock, Lee Corbett, Randy White, and Ty Campbell. We hope they will be able to come out and enjoy the changes to the club. We would also like to extend a special recognition to MCTS' newest member: Brad Kolb. Please stop by and welcome him to our family.

*Membership is still open. Cost has been prorated to \$30.00 from our normal \$40.00. The information about being a club member is on our website.

Executive Committee Meeting:

This past February, the Executive Committee met to discuss our agenda / goals for 2010 in depth. We have developed an initial priority list to ensure that all members and guests enjoy their shooting experience with us. We have planned on an initial budget for our June 18th / 19th Trophy match. We are still in negotiations with NTPS for usage of their side of the range for the match. We currently have four corporate sponsors for the event. The waiver and entry form is listed on the website @ www.mctsclub.com. All of the proceeds from our trophy match will be placed back into the club for dirt / berm work and range props. Listed below are MCTS club priorities:

- *Club Financial Status*
- *Promotion of the club* – Gun shows, gun stores flyers, internet (new website was deployed in February and it has seen a massive success thus far.
- *Trophy Match* – This will require additional meetings to finalize all of the details.
- *Range Props* – Target stands, up and downs, barricades, barrels, and wall sections
- *Dirt/Berm work / Drainage*– We are looking to begin an additional bay between the woods walk and the pit as funds are available.
- *Additional Safe Area on each bay*
- *Road Work*

We will be looking at all of our options to better facilitate these club needs. Some of these priorities are completed. If there are any suggestions, concerns, and/or contributions, please email them to [Robert Standley](mailto:Robert.Standley@musiccityshooters.com), [J. Michael Bresson](mailto:J.Michael.Bresson@musiccityshooters.com), [Rick Kyle](mailto:Rick.Kyle@musiccityshooters.com), [Greg Bell](mailto:Greg.Bell@musiccityshooters.com), and [Jeff Stone](mailto:Jeff.Stone@musiccityshooters.com). We will schedule another meeting later this month to verify our progress.

Club News:

There will be no 2nd Gun entries allowed on the 3rd weekend Match days. However, MCTS members will now be able to shoot a 2nd gun on the 1st weekend **FREE**. Listed below are the rules for shooting multiple guns:

Scenario A (Both guns fit in the same holster)

Shooter comes to the line holstered ready to go. He/She brings his/her 2nd gun in a pistol rug and places it at the position where the stage will end or has a shooting buddy bring it to the stage end. When the stage is finished at the ULSC(Unload/Show Cleared), hammer down, the SO will supervise the swap of the guns and the shooter will then be geared up for his/her 2nd run when he/her is called. Repeat this each time, then he/she is always ready.

Scenario B (Guns do not fit in the same holster)

Shooter comes to the line geared up with an empty pistol rug. Hand the empty pistol rug to the SO, after the stage is finished after the ULSC, hammer down the gun will be bagged and the shooters holster will be empty. Then the shooter may swap holsters for his 2nd run. He/she will come to the line with an empty holster and a bagged gun. Repeat each time then he/she is always free to swap empty holsters.

Scenario C (Safe Area)

The shooter will swap guns and gear unsupervised at the safe area. No ammunition handling will be allowed.

The 3rd phase of the website for members to buy and sell items to other MCTS members is almost completed. It will be unveiled in late March 2010.

*NOTE: CHAMBER FLAGS WILL BE REQUIRED AT ALL OF OUR LONG GUN EVENTS.

Thank you for all those that assist before/during/after the matches. This is much appreciated and noticed. Without you, MCTS could not continue to provide the best match that we can. Bring a friend next time you come to shoot!!!!
