## Key to Abbreviations and Scoring

**Stage score** - total time (score) for each stage, including all penalties

**Raw time** - actual clock time from the string or strings shot

**Total penalty seconds** -target points down converted to seconds plus other penalties. Add this to your raw time to get your stage time (score) for this stage.

**Penalty % of Stage Score** - percentage of your score time contributed by inaccuracy and penalties

**Target Points down** -each target point down adds 1/2 second to your score.

**Procedural error** - each procedural adds 3 seconds to your score.

**HNT (hit on non-threat target)** -each non-threat hit adds 5 seconds to your score.

**FTN (failure to neutralize)** - each failure to neutralize adds 5 seconds to your score.

**FTDR (failure to do right)** - each failure to do right adds 20 seconds to your score.
